# NIAGARA IN

Ideal for optimising space, it can be installed under the bar counter or in remote corners of a room. Appropriate technological solutions ensure the supply of room temperature, cold and / or sparkling water even at a distance from the taps and fittings. A wide range of taps and columns complete this product.

### Suggested optionals

WATER BLOCK, NO SHOCK, filtration system

## Coolers

# Niagara IN 55

Niagara IN 55 is a 55 liter refrigeration machine with ice bank technology, ideal for low/medium capacity restaurants or cafés. Designed for fixed dispensing systems applied under the counter or in remote corners of the room, it allows the dispensing of water at room temperature, cold or sparkling.

### Features:

#### Type of dispensed beverage:

 Water

#### Number of ways/lines:

☒ from 1 to 2

#### Number of people:

☒ 50-60

#### Types of water:

 Ambient  Natural cold  Sparkling cold

#### Finish:

☒ Skin-plate ☐ Stainless Steel

# Strengths

## Performance

- Niagara IN 55 can dispense up to 55 liters per hour of cold, still and sparkling water, or at room temperature, with a capacity of 12 L/h in continuous service
- The ice bank with double coil in the ACWG versions makes the simultaneous dispensing of cold and sparkling water faster and more efficient

## Design & User Experience

- Thanks to its compact and robust design, Niagara IN 55 can be easily installed both under the counter and away from the taps, offering convenience and flexibility for different installation and use configurations
- A wide choice of taps and fonts allow for product customization based on specific needs

## Advanced Features

- Niagara IN 55 supports the application of dechlorinator and purifier filters to improve the taste and odor of water

## Label & Certification

- Niagara IN 55 is NSF and WRAS certified
- The refrigeration machine is tested and engineered in the Celli testing laboratories and complies with the technical regulations for a wide range of countries: EU, UK, APAC, USA

# Models of the **Niagara** series
